Dues Reminder

Willow Park Annual Dues of \$225 per household are due to the Association by March 15, 2012. Dues received after March 15, 2012 are to be \$325. Delinquent accounts will be processed first with letters, then liens. If you have questions about your account, please contact us.

Yard Debris

With the recent storms and tree damage many yards are in the clean-up process. While we understand that some yards were hit harder than others, please ensure that branches and limbs are clear of roadways and sidewalks. It is also in everyone's best interest if yard debris is removed from the neighborhood in a timely manner, so please help us keep Willow Park looking its best. Thanks.

Boats/RV's/Trailer

Please remember that your trailers and boats and such need to be stored either behind your approved fence, in your garage, or outside of the neighborhood. These objects are only to visit your driveway for brief periods (1-2 days) during the recreation season

Trash Can Reminder

Please remember to return you trash cans, recycle bins and yard waste containers to their NON-VISIBLE storage locations soon after pick-up on Friday mornings. This has been a continual problem and the Board would like to remind our neighbors to help our neighborhood to continue to look its best.

Crime in Willow Park

There have been a few car prowls over the past few weeks in Willow Park and on Lea Hill in general. Home robberies, stolen vehicles, etc are becoming more common. Check the Auburn Police Blotter to verify activity in our area. Your first call should be to 911 to report ANYTHING suspicious.

Holiday Light Reminder

It is now spring and all holiday lights should be down and packed away for the warmer months. This includes Halloween, Christmas and Hanukah decorations. Letters will go out to those who fail to comply.

ACC Reminder

Please remember to submit your plans for your properties exterior BEFORE you begin the work. The ACC committee works with a fast cycle-time so that we do not hold up your projects. This is especially true of new roofing requests as our homes age and roofs need replacing. Pre-approval is critical in these cases as well. These ACC rules apply to structures and fencing on your property and do NOT apply to plants and foliage. Please contact a Board of Directors member for more information or with questions; they are listed below.
