**Auburn City Wide Garage Sale – June 6-8, 2014**

**Willow Park is registered as a neighborhood for both Saturday and Sunday, from 9am until 4 pm. Please feel free to participate.**

**Block Watch – There are still random break in and car prowling issues on Lea Hill and within Willow Park. Please report ANYTHING suspicious to 911 immediately.**

**ACC Reminder**

Please remember to submit your plans for your properties exterior **BEFORE** you begin the work. The ACC committee works with a fast cycle-time so that we do not hold up your projects. This is especially true of new roofing requests as our homes age and roofs need replacing. Pre-approval is critical in these cases as well. These ACC rules apply to structures and fencing on your property and do NOT apply to plants and foliage. Please contact a Board of Directors member for more information or with questions; they are listed below.

**Boats/RV's/Trailer**

Please remember that your trailers and boats and such need to be stored either behind your approved fence, in your garage, or outside of the neighborhood. These objects are only to visit your driveway for **brief periods (1-2 days)** during the recreation season. Contact the Board if you would like to request to keep on in the street for longer than 2 days.

**Barking Dogs**

Please remember that barking dogs are a nuisance. Now that the weather is getting better, more folks are opening windows and now hear all the dogs left outside to bark. If your neighbor's dog is a problem, please contact the offending dog OWNER first. If the homeowner does NOT cooperate and bring the dog indoors, then contact Animal Control at 253-931-3062 or email [info@auburnvallehhs.org](mailto:info@auburnvallehhs.org). The WPHOA is not in the animal control business.

**Willow Park Wetlands Areas -**

**A reminder to parents that the wooded areas in the neighborhood are not safe for children to play in.** Please encourage your children to find safer places to play.
